

CUI
DEPARTMENT OF THE AIR FORCE
UNITED STATES SPACE FORCE
SPACE BASE DELTA 1

20 April 2026

FROM: 460 CONS/PKC
510 S. Aspen Street, Bldg. 1030
Buckley SFB, CO 80011

SUBJECT: SOURCES SOUGHT – RAWS/ATCALs System

The Buckley Space Force Base (BSFB) 460th Contracting Squadron is requesting information from vendors that provide the subject part number. The North American Industry Classification System (NAICS) code is **334511**.

This sources sought is issued for the purpose of market research in accordance with RFO Part 10. BSFB, CO is requesting information for the subject: Test System with ILS, DOD ATG Kit / Calibration Certificate with Test Data / 5-Year Total Hardware Warranty & Calibration. For Market Research Purposes.

The result of this market research will contribute to determining the method of procurement. This announcement is not to be construed as a commitment by the Government, implied or otherwise, to issue a solicitation or to award a contract. At this time, BSFB is not seeking quotes and will not accept unsolicited quotes.

Submit any and all questions along with expressed interest and capability regarding this requirement in writing via email only no later than **1 May 2026 @ 1:00 P.M. Mountain Time** to the Contract Specialist, SSgt Ethan Sullivan at ethan.sullivan@spaceforce.mil AND the Contracting Officer, Lt Andrew Flamm at andrew.flamm.1@spaceforce.mil.

After the suspense, the contracting officer may elect to post an update to this sources sought answering all questions or requesting additional information if necessary.

The Government is requesting a response to the following:

- (1) What is the fastest delivery time after award you could provide each of these items?
(Please reply citing the delivery time to Buckley Space Force Base, Colorado.)
- (2) Can your company provide the supplies detailed in the attached Statement of Need? If yes, please provide a brief statement explaining your technical capability. Your response must specifically address how your proposed equipment complies with applicable Air Force regulations and ensures full compatibility/integration with our current system of radios. Please also highlight one recent, similar supply delivery you have completed.

SEMPER SUPRA

CUI

- (3) Based on the attached Statement of Need, can your firm provide a Rough Order of Magnitude (ROM) or an estimated cost range to deliver these supplies? *(Note: This estimate is strictly for government planning and market research purposes, and does not constitute a formal quote or proposal.)*
- (4) Is there a different NAICS code than 334511 that would better fit the item(s)?
- (5) What certifications (if any) are required by the end user to use or install this brand of equipment?
- (6) Do you have a pre-priced contract vehicle with these items on your schedule? If so, please provide the contract/schedule number for validation.
- (7) Do you offer a bulk quantity discount? If so, at what quantity(ites)?
- (8) Is a warranty included? If so, what is the standard commercial warranty? What are your extended warranty options?
- (9) Company name, address, point of contact, telephone number, e-mail address, CAGE/DUNS and pre-priced contract vehicle number if applicable.
- (10) Do you maintain a Federal Aviation Administration (FAA) certification?
- (11) The contractor shall deliver the required test sets no more than 60 days after receipt of order (ARO) and required delivery date is no later than 30 July 2026. Is this a feasible timeframe?

Confirmation that you are an authorized re-seller of the items and provided on your GSA schedule (not open market)
